Important Notice for Applicant

- To apply for the access to TC1, you have to complete this form and submit via email to **CCDS Undergrad GPU Resource Support** [ccdsgpu-tc@ntu.edu.sg].
- You will be notified via email on the application status. Upon succeeded application, you must attempt the first login to the cluster. This is for the system to create your home directory. The account of INACTIVE user will be revoked after 3-months, with no prior notification.
- There is **NO** backup provided for data stored in your home directory. You are responsible for protecting and maintaining your own data.
- The assigned GPU resources are to be used for academic purposes only. Use of resources for a purpose other than that for which they were granted will result in the termination of account.
- DO NOT** access directories other than your assigned directory. Unauthorised access to other directories or files, even for the purpose of “browsing”, shall be deemed as a security breach. Serious action will be taken against users committing any breach to the CCDS GPU Cluster.
- Your home directory (as state above) and assigned QoS will be removed, right after the usage expiry date, with no prior notification.
- For technical issue, please email to **CCDS Undergrad GPU Resource Support**.
